HIGH ALTITUDE FEMALE SALE

L+

DECEMBER 7, 2024

1:00 PM (MT) • AT THE RANCH IN LA GARITA, CO

THE SHANE AND BETH TEMPLE FAMILY

Welcome to the T-Heart High Altitude Female Sale. 2024 has flown by and it is hard to believe we are about to turn the calendar over to 2025. The year has brought ample moisture and highly attractive cattle prices for all classes of cattle. Fruitful times in the beef business are a welcome sign and we hope they stick around for years to come.

Once again, we are offering females at both the Colorado and Oklahoma ranches. The 2024 sale will feature a large assortment of bred heifers, open females, and proven cows from the heart of our ranches. We have focused on supplying females who are best suited for their environment for decades. The Colorado females sell with multiple generations of T-Heart genetics in their pedigrees and we have the utmost confidence they will excel in the high country. The Oklahoma heifers are sensible in terms of mature cow size, easy fleshing, and are backed by highly maternal genetics.

We would like to thank past customers for the support of our program over the years. We could not be successful without you and find great joy in supplying you with genetics. As always, please feel free to reach out to us with questions and we encourage you to stop by either of the ranches to view the heifers ahead of the sale.

Sincerely,
Shane & Beth Temple

- Purchase a pot load - buyers receive a \$1000 credit to be used at our 2025 High Altitude Bull Sale

HOW TO PARTICIPATE AS AN ABSENTEE BUYER

We have made preparations to bid and buy livestock through Superior Productions' "Call or Click-To-Bid" service for those unable to attend in person on sale day. Please note that all of the lots in the sale will also be available for viewing online prior to sale day at www.superiorlivestock.com.

HERE'S HOW IT WORKS

Turn in Bids Over the Phone. This is our traditional method of buying livestock and is the suggested process for anyone who does not have consistent, high-speed internet. To get started simply go online to www.superiorlivestock.com and click on the tab titled "Register for a Buyer Number". Select the registration form for Superior Productions and print the registration form. Fill it out and fax it in to Superior Productions at (817) 378-3380 with a signature on it. You can also mail it in to the address provided on the form. Upon receipt of this information Superior will call you with a buyer's number and the bid line phone number that you will use on sale day to place bids over the phone.

CLICK-TO-BID

This is Superior's online bidding program for cattle buying. Please note that high speed internet is required – this is not for dial-up or satellite internet. Registration is free, but you must become a member of www.superiorclicktobid.com to sign up. Becoming a member is easy – just go to the homepage of www.superiorclicktobid.com and follow the out-lined steps to get started. Input your information and select a username and password. You will receive an e-mail confirming you are a member. From that point forward you just have to sign in and select the sale you would like to register for and once approved by the ranch you will receive an e-mail confirming which sale you are now registered for.

VIEWING THE AUCTION

The sale will be broadcast via satellite on SLA-TV (DISH Network channel 997). Please note that there is a delay if you are watching the auction on television so be sure to call in a couple lots ahead of the lot you are interested in bidding on. The sale will also be broadcast live in Hi-Definition on the internet at both www.superiorlivestock.com and www.superiorclicktobid.com. The video feed on the homepage of www.superiorlivestock.com looks the same as the video feed on TV and can be watched over a smartphone or tablet. Remember you can call in to bid whether watching on the TV or on the internet, but you must be a member of www.superiorclicktobid.com to "click-to-bid".

Bidders who are successful in making purchases via satellite or internet will be contacted by the ranch after the sale to settle payment and make shipping arrangements.

HOW IT WORKS

- Females are sorted into lots based on age, type, calving dates, and sex of the calf if known
- Winning Bidder has the right to take the entire lot or a gate cut of 5 or more
- Head counts are approximate, final head counts will be supplemented sale weekend
- All females are videoed in lot loads and can be viewed at superiorlivestock.com or find the link to the females on our ranch website: t-heartranch.com

TRUCKING

T-Heart ranch will work with buyers to provide customers with the lowest cost trucking available. We will provide free trucking from ranch to ranch, meaning if a buyer in the Midwest or South purchases females housed in Colorado, we will get the females to Oklahoma free of charge. Likewise, if a purchaser from the northwest purchases a set of females housed in Oklahoma, we will get them to our Colorado division free of charge.

GENETICS**

Night Owl has established himself as one of the greats in our program. The Night Owl sons were our lead sire group in our 2023 bull sale and commanded the highest purchase price. The females are making a huge impact in our replacement pen and are off the charts for maternal. Genetically, he is a bullet proof heifer bull while being well above average for growth and carcass. He is the service sire of numerous lots in the offering and we are confident you will be thrilled with the progeny.

YOUR #1 SOURCE FOR PAP TESTED GENETICS

At T-Heart Ranch we offer more than just a PAP score. We take it a step further in testing every one of our registered cows to ensure we can stack multiple generations of PAP testing to allow our customers to get the most information. Our entire herd lives at high altitude. We are confident that you are receiving genetics that will ultimately help your program excel in the high country.
