

SIMMENTAL SALE

WESTERN
choice

SATURDAY - DECEMBER 6, 2025

Billings Livestock Commission at 1:00 PM MT

A NOTE FROM THE SALE MANAGER

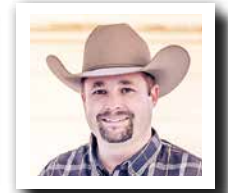

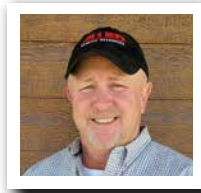

Welcome to the 2025 edition of the Montana Simmental Association's Western Choice consignment sale. This may very well be the best set of cattle ever consigned to this sale. I commend the breeders who are participating this year for opening their gates and bringing some of the best representations of their programs to sell. Every breeder participating this year said that it was hard to let these cattle go but they want to showcase the best that their program has to offer. All the females offered have the potential to be a difference maker in the new buyer's herd and many of them have the potential to be your next donor cow if you so choose. I thank the consignors for stepping up and making some tough choices to offer their very best in this offering.

We are selling an excellent set of bred heifers that could be a great addition to your herd. We also have some unique consignments that we don't normally get the opportunity to offer. First off is fall pairs, fall open heifers, and an elite set of breed leading embryos. These embryos are by some of the very best cows in the breed or new, up and coming donors. The sires of these embryos are some of the top bulls in the industry. In the offering is a set of registered bred heifers that will sell in groups, and the winning bidder will get choice of the group. So, as you can see, we have something for everyone and some unique buying opportunities.

I encourage you to join us on Friday to preview the offering then join us for food and fellowship that evening. Information can be found below this letter. Also check out our full schedule of events on the next page. Please bring the kids so they can compete in the cattle judging contest on Saturday morning. The winners will receive a \$250 sale credit.

As always, if you have any questions about the offering please reach out to anyone of us on the Allied team or give the consignors a call. Consignor contact information is listed on page 3.

Sincerely,
Marty Ropp, Rocky Forseth,
Corey Wilkins and Jared Murnin

MONTANA SIMMENTAL ASSOCIATION ANNUAL MEETING

Friday, December 5, 2025

Hampton Inn

5110 Southgate Dr., Billings, MT 59101

5:30 PM SOCIAL

6:30 PM BANQUET

TERMS

All cattle sell under the Suggested Terms and Conditions of the American Simmental Association.

AIR TRANSPORTATION

Billings is served by Northwest, Delta, United, Horizon, Skywest, and America West, and has excellent facilities for light aircraft.

ONLINE BIDDING

Broadcast live online at www.dvauction.com. See page 5 for more information.

EPDS

The EPDs listed are current as of 11/15/2025. Please note the EPDs may change from the time the sale catalog is printed until registration papers are transferred.

INSURANCE

Insurance will be available on sale day.

TRUCKING

Cattle transportation details can be arranged through any of the consignors or by contacting Marty Ropp 406-581-7835.

ANNOUNCEMENTS

Announcements made from the auction block during the sale take precedence over printed material in the catalog or other printed material associated with this sale.

LIABILITY

Anyone attending this sale does so at their own risk. Consignors, sale management and Billings Livestock Commission will not be held responsible for any personal injury for attending this sale.

MONTANA GUARANTEE

Many lots selling with a Montana Guarantee. If the buyer isn't confident the seller offered his very best, he has the option to come to the ranch and pick a replacement from the same calf crop.

SELLS OPEN.

Walking 5 Ranch LLP has graciously donated an outstanding heifer to benefit the MT Simmental Association this year. This female is a daughter of GW Old Fashioned 407L who was their pick of the GW High Ball sons in the Gateway Simmental 2024 sale. He has been doing an outstanding job at Walking 5 Ranch, and this female represents the type of quality this great young herd sire transmits to his progeny. Take a look at the EPDs of this high-quality heifer. She ranks in the top 15% of the breed for growth with Calving Ease and Marbling. This heifer represents the type of cattle Walking 5 Ranch strives to produce and we thank them for donating such an outstanding female.

Thank you
WALKING 5 RANCH

BRED TO GW CONTRABAN 946M.

An outstanding donor prospect! 728E is a great TJ Marlboro Man daughter that has been an outstanding producer. She boasts a 369-day calving interval and her progeny have an average ratio of 113 at weaning and 108 at yearling. She most recently produced the lot 1 bull in the 2025 Gateway Simmental bull sale who was the second high seller to SRF Simmental in Berthold, ND. She sells bred to GW Contraband 946M, who is an up-and-coming herd sire who combines breed leading calving ease, growth, and carcass traits with his \$API and \$TI ranking in the top 4% of the breed.

This mating might be the ultimate convergence of maternal, growth and carcass pedigrees. Diana, dam of LBRS Genesis, consistently stamps her progeny with a commanding phenotype, performance and foot structure. JC fortunate brings so much to the table as a sire with tremendous muscle and stoutness backed by Evita's unparalleled maternal and carcass traits coupled with Southern Fortune Teller's ability to sire moderate-framed, attractive cattle that are making a name for themselves. This mating could be the fulcrum for donor worthy females and value-added sires.

Here's a chance to own progeny out of the dam of LBRS Genesis, a bull that needs no introduction. This mating resides in the number 1 slot in Right Mate+. Anyway you look at it, these progeny will be standouts. Phenotypically the ingredients are set for powerfully made sons with plenty of performance and deep broody females with tremendous feet and udders. Genetically this mating reads for success in every aspect of the industry with a balanced EPD portfolio culminating in leading values in the top 3% for API and top 2% TI.

What an opportunity to purchase embryos by the full sister to Bridle Bit Resource. G9107 has been an outstanding producer, recently she produced 5 sons that grossed over \$130,000 at Eichacker Simmentals. You pick and choose either 3 conventional embryos by the hot new A.I. sire WS Marvel or the projected high marbling mating to RSA True Balance. Guaranteeing one pregnancy if the embryos are transplanted by a licensed embryologist.

RFS Luna K63 was the \$30,000 pick of the flush at the Rydeen Farms 2023 production sale. She is a full sister to RFS Bruno and a maternal sister the KBHR Charger. Her dam, WS Electra E88, has written her own page in the Simmental history books. Luna represents the cream of the crop for red Simmental genetics. You pick and choose either half blood embryos by Bieber RRA Hoss L609 or purebred embryos by HSF Cardinal. Guaranteed 2 pregnancies is transplanted by a licensed embryologist.

Here is a rare opportunity to purchase embryo by the great RFS Traveler L23. Take a look at the projected \$API and \$TI of this mating. Klein Matriarch M053 is a King James daughter by the great Bridle Bit Miss G9107. She ranks in the top 1% of the breed for STAY, MARB, and \$API.

LOTS 35-50

Fancy registered bred heifers will sell in groups of similar type, kind and calving date. The only reason they are for sale is because they do not fit the calving window at Miller Simmentals. All of these females are carrying calves by our herd bull lineup that we have selected with the assistance of RightChoice and RightBull technology. The winning bidder will get choice of the group with the option to take all of the group.

Offered by Miller Simmentals
