

BLACK SUMMIT

ANNUAL

Bull Sale

FRIDAY 1:00 PM

MARCH 20

Black Summit Cattle Sale Facility || 1476 Hwy 14A, Powell, WY 82435

SELLING 103 PAP-TESTED SIMANGUS BULLS

5 REGISTERED OPEN HEIFERS AND 50 COMMERCIAL HEIFERS

Howdy Folks

WOW Time flies! It's hard to believe that it's time for another bull sale. Every year I struggle with what to say in this invitation. It's hard to put into words what this industry and the people involved in it mean to us. The supply chain that we're all apart of might be the most important industry there is to the human race. If we can't feed our people, what would this world look like? Knowing a Chain is only as strong as the weakest link, we believe and work every day to be the strongest link in the chain. Every day we consciously think about how we can make the best seedstock available for our customers. We begin with using RightMate and RightBull to eliminate any hidden pitfalls. Breeding decision are made to create Sound, Functional Cattle with good feet, udders and the ability to perform. Then the bulls are developed the absolute best way we know how for longevity. After that, we have their Genotypes analyzed and a RightChoice score & Badge assigned for your convenience and decision making. We take our job in the Beef Supply Chain very serious. It's our belief that we have to concern ourselves with everyone's livelihoods and how our product effects them down chain.

As an added bonus this year we've added some females. We will be selling 5 really nice Registered females right out of our Replacements. We will also have 50 commercial replacements from long time customers Kent and Shelli Haun of Riverton, WY. Kent has boughten bulls off the front of our sale for years and all these heifers are sired by BSUM bulls.

We are very proud of the offering this year. Like we say, Uniformity in large numbers is what we strive for. Whether you need 1 or 20 bulls you can find them here that all look alike. I hope everyone feels welcome to come be with us on March 20th. It's the best day of the year for us, not because of the sale, but because we get to hangout and visit with our friends and neighbors for a bit.

Hopefully you can join us.

CUSTOMER SATISFACTION GUARANTEE

We have done our best to represent the sale offering as they are, however our Customer Satisfaction Guarantee protects you against getting cattle that are not what you thought they were. If you have a problem with an animal, it's our problem. We are the only ones who can fix it, so please contact us and give us a chance to help.

TERMS & CONDITIONS We will sell full possession and full semen interest in all Bulls unless otherwise noted in the sale book. Black Summit will reserve the right to collect semen, for in program use only, at the buyer's convenience and seller's expense. Terms of the sale are cash and all cattle become property of the buyer at the time of sale. All animals will be sold in accordance with the Suggested Sale Terms and Conditions of the American Simmental Association unless other terms are stated in this catalog. All announcements made sale day take precedence over printed material in this catalog or other printed material associated with this sale. All cattle will be registered with the American Simmental Association and those papers will be transferred after the sale. Please note all EPDs will change between the time this catalog is printed and the day of the sale. All EPDs in the catalog will be current as of the day they are printed. Owners, their agents or any of the sale staff will not be held responsible for any personal injury, loss or accident while attending this sale.

BREEDING GUARANTEE All bulls selling in the sale have passed a Complete Breeding Soundness Exam. However, all bulls should still be rechecked as close to turnout as possible. All bulls are guaranteed for fertility and genetic soundness for their first breeding season. If the bull is proven to be a non-breeder for fertility or a genetically caused soundness condition, we will replace the bull with a satisfactory replacement or issue credit of the purchase price minus the salvage value to be used in future sales. This guarantee does not cover injury, infectious disease, mismanagement, neglect and/or death. We ask that you contact us immediately before culling or disposing of the bull should anything occur. A signed veterinary statement and/or BSE form will be required. Bulls are not guaranteed to freeze semen unless an agreement is reached prior to the sale.

TRUCKING / FEEDING OPTIONS

- Option 1 - \$100 off bulls hauled home the weekend of the sale.
- Option 2 - Bulls delivered to Wyoming and surrounding states for free. We will begin coordinating free delivery the week after the sale.
- Option 3 - Bulls may be kept free of charge past their scheduled delivery date at buyer's request. They may be picked up at the buyer's convenience on or before April 1. Bulls kept past April 1 will be charged \$3 per head per day.
- Option 4 - We will work with buyers of bulls that do not qualify for free delivery. We will help as much as possible to get these bulls delivered as inexpensive as we can.

VOLUME BUYER DISCOUNTS

- Purchase 5 bulls - 5% discount
- Purchase 10 bulls - 10% discount
- Purchase 20 bulls - 20% discount

Volume buyer discount is available on ONLY bulls purchased through the ring on sale day at gavel price. Private treaty bulls are not eligible.

ASA Performance

Black Summit Cattle is Recognized as a Performance Advocate Herd by the American Simmental Association.

Docility

Good tempered. Easy to be around. One bear could probably catch this bull and eat him!

Quicker to be around. Needs a bit bigger flight bubble. This bull could probably fight off one bear but two bears could probably take him.

Real watchy. Might NOT move off of pressure. This bull can probably take one bear. This bull plus two bears might be a fight but three bears could eat him.

We don't sell these bulls. We leave them on the mountain to take care of any bear problems!

From the Sale Manager

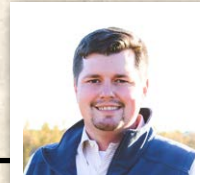

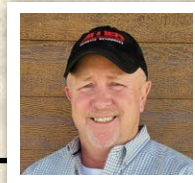

Welcome to the 2026 Black Summit Cattle annual bull sale. This offering is their best and deepest set of bulls offered to date. The LaFollette's have invested decades of breeding to produce this excellent set of bulls for your selection. When you come to Black Summit Cattle Co you can expect to find cattle that work in our western environment. They put extensive selection pressure on structure, udder quality, and fertility and they want these traits in a package that is phenotypically correct. When you view this set of bulls you will see that they represent what you come to expect from Simmental and SimAngus genetics like muscle and performance, but what makes this program excel is that these bulls are in a very eye appealing and correct package. These bulls will produce calves that add pounds, and their daughters will make top of the line replacement females. Not to mention they will do all of this along with producing cattle that have the eye appeal to catch the attention of the most discriminating buyer. With all the great data and tools that we have today we can't forget about cattle that have the ideal look, and this set of bulls has it. However, these bulls are not just phenotypic standouts they have checked all the boxes for all the data that Black Summit collects to continue genetic improvement. They have all the DNA done and have RightChoice information available. If you are unfamiliar with RightChoice please see the explanation in this catalog. Plus the bulls have been PAP tested and ready to work in elevation. All of the work has been done and they are ready to go to work for you.

We are experiencing some of the best times in the history of the cattle business. 2025 set new price records and it appears that we will see new records in 2026. Our nation's cow herd is at the lowest inventory since records have been kept. There is tremendous opportunity for producers who are able and willing to take advantage of these high prices. However, it is critical that when we rebuild this nation's cow herd that we do it with the right kind of cattle. As we make females for the future, we must not lose sight that the consumer wants to purchase and eat high quality beef. We also need to keep in mind that with higher priced females we need to purchase and produce cows that will be productive for a long time. The quality of cattle in the Black Summit program will get you there.

If you have any questions about the offering or need assistance sale day please reach out to any of us on the Allied team.

Sincerely, Marty Ropp, Corey Wilkins and Jared Murnin

Improved Buying Confidence with Greater Genomic ASSURANCE

Access to more and better information has always been key to making wise decisions. The evolution and improvement of genetic evaluation tools too has given us an ever-clearer picture of the true genetic makeup of cattle and thus a better view of the value proposition. RightMate, powered by Top Genomics LLC is taking the evaluation of genetics and genomics one giant step further. By combining specific genomic information with the long-proven value of EPDs, this new advancement in technology improves our depth and precision when evaluating the actual ability to transmit value and profit.

The 3 Accreditation Logos below are designed to simplify bull selection and improve buyer confidence by more accurately describing the genetics offered and by reducing risk. What this means to you as a customer is a much greater assurance that you are getting both what you want and need from the genetics you purchase. What it means to your seedstock provider is access to RightMate technology that simply sets them apart from the rest of the industry.

ACCREDITED GENOMIC PLUS – For the majority of producers who simply need consistent and balanced genetic improvement, without genomic setbacks, G+ Accredited bulls should be on your list for premium purchase. These sires will absolutely move you forward

for both cost reduction and income producing traits and substantially reduce risk when compared to all other evaluation programs. It's simple, the right genes are in these bulls to help secure a profitable future and the they have great EPDs to match!

ACCREDITED TERMINAL MATE – Just like an ATM machine makes it simpler to access your cash, the ATM Logo highlights bulls accredited to generate extra cash income as soon as your next calf crop! These bulls are meant specifically to use only on mature cows and for the purpose of adding performance, pay weight and end product value to market.

ACCREDITED CALVING EASE – Simply find bulls with the ACE logo for third party Accredited, secure Calving Ease bulls. Though we have had tools in the past to assist in choosing heifer bulls, we've never had one nearly this effective. The reduced risk that comes with this

genomic certification will simply make your decisions easier and your heifer calving season more successful. Purchase special purpose ACE bulls with confidence. They will deliver consistent and predictable calving ease.

50 Commercial Heifers

The commercial heifers are all sired by Black Summit bulls and are out of commercial Angus cows from long-time customer Kent and Shelli Haun from Riverton, WY. Kent has always appreciated cattle with great phenotype. He has raised and sold many champion show heifers and steers all across the country. We know some of these heifers can be bred a bunch of different ways so we are offering them in 10 lots of 5 head with the high bidder on each lot having the option take 1 choice heifer then we'll sell the other 4, or take all 5 at the gavel price. If the winning bid takes all 5, they have the option to take as many full pens as they need, and up to all the heifers remaining.
